Access to any Free Service shall continue until terminated by Markforged, and You agree that any termination of Your access to the Free Services and Content is at Markforged’s sole discretion and may occur without prior notice. You agree that Markforged will not be liable to You or any third-party for such termination.

6. CONTENT

Your Content is Yours. You maintain sole and exclusive ownership of and responsibility for Your Content. You acknowledge and agree that: (i) You will evaluate and bear all risks associated with the Content; and (ii) under no circumstances will Markforged be liable in any way for Your Content, including, but not limited to any errors or omissions. You are solely responsible for backing up Your Content to Your own computer or other device. Markforged does not guarantee or warrant that Your Content will be free of damage, corruption or loss.

License to Your Content. You hereby grant to Markforged a fully paid-up, royalty-free, worldwide, non-exclusive, non-sublicensable (except to Markforged’s third-party contractors or service providers), non-transferable (except as set forth in “Assignment” below) right and license to copy, display, modify and otherwise use Your Content: (i) in connection with ensuring the operation of the On-line Software and the Products; (ii) internally in connection with performing quality assurance or improving the Markforged Technology; and (iii) to provide You with any technical support that You request and that We agree to provide to You. However, Markforged reserves the right at all times to pre-screen, refuse and/or remove Your Content at any time, without prior notice and in Our sole discretion if we determine that Your Content is inappropriate, or if it fails to comply with these Terms and/or applicable law. Markforged reserves the right to restrict access to the Cloud Service from certain geographic locations. In addition, Markforged reserves the right to: (i) impose limits on the types of Content You can store through the Cloud Service, such as unsupported file types; and (ii) set storage limits for the Cloud Service.

7. INTELLECTUAL PROPERTY RIGHTS

Markforged Technology. Markforged and its respective licensors or suppliers own all right, title, and interest in and to the Markforged Technology, and all intellectual property rights in or to any of the foregoing or that claim to cover any of the foregoing (the “**Markforged IP**”). You are not granted any licenses or rights of any kind to the Markforged IP, except as expressly set forth in these Terms. You will not do, or cause to be done, any act that in any way contests, impairs or that intends to contest or impair any portion of Markforged’s right, title or interest in and to the Markforged IP. You will not delete or in any manner alter the copyright, trademark, or other proprietary rights notices or markings that appear on the Markforged Technology as delivered to You.

Unblocking License. It is possible that You may develop an invention through the use of the Markforged Technology that is or includes an improvement to the Markforged IP and that a related patent claim will be infringed by the manufacture, use, sale, offer for sale or importing of Markforged’s existing or future products or services. You and Markforged agree that it is not the intent for You to use the Markforged Technology in a manner that may restrict Markforged from freely running its business. Therefore, You hereby grant to Markforged and its customers a fully paid-up, royalty-free, worldwide, non-exclusive, irrevocable, sublicensable, transferable right and license under any patent rights or any other intellectual property rights issued to, obtained by, developed by or acquired by You that: (i) are derived from and/or improve upon the Markforged IP; (ii) are developed in connection with use of the Markforged Technology; and/or (iii) are directed to 3D printing equipment or software, uses thereof, or printing materials thereof. For the avoidance of doubt, You retain ownership of all such patent rights and only grant the foregoing license to Markforged and its customers to the extent each of the foregoing clauses is satisfied.

Feedback. You may from time to time, make known to Us suggestions, enhancement requests, techniques, know-how, comments, feedback or other input with respect to the Markforged Technology (collectively, “**Feedback**”) and You hereby grant Markforged a royalty-free, worldwide, irrevocable, fully paid up, perpetual license to use, disclose, distribute, publicly display and perform, reproduce, license, sublicense, create and have made derivative works, and otherwise exploit any Feedback without restriction or obligation of any kind, on account of confidential information, intellectual property rights or otherwise. Markforged may freely, without any obligation to You, incorporate into the Markforged Technology any code, service, product, technology, enhancement, documentation or other development incorporating or derived from any Feedback.

Action in Response to Potential Infringement. If the Markforged Technology becomes, or in Markforged’s reasonable opinion is likely to become, the subject of a third-party infringement or misappropriation claim, or if use of the Markforged Technology is permanently enjoined for any reason, Markforged, at its option and expense, may: (i) replace or modify the applicable Markforged Technology so as to make it non-infringing so long as the modified Markforged Technology performs materially the same functions in a non-infringing manner; (ii) procure the right for You to continue to use the applicable Markforged Technology as contemplated herein; (iii) substitute an equivalent for the applicable Markforged Technology; or (iv) if options (i)-(iii) are not reasonably practicable, terminate these Terms and refund any pre-paid Fees.

Third-Party Components. The Markforged Technology may include third-party software components, including software made available under an “open source” or similar license (“**Third-Party Components**”). To the extent required by the license covering any Third-Party Component, the terms of such license will apply to such Third-Party Component instead of these Terms. To the extent the license applicable to any Third-Party Component prohibits any of the restrictions herein with respect to such Third-Party Component, such restrictions will not apply to such Third-Party Component. To the extent the terms of the license applicable to any Third-Party Component requires Markforged to offer to provide source code or related information in connection with such Third-Party Component, such offer is hereby made. Any request for source code or related information should be directed only to open-source@markforged.com. Additional information regarding the Third-Party Components can be found in the Documentation.

If You do not notify Markforged, Your use and access to the Markforged Technology will remain governed by the Terms in effect immediately before the change (except to the extent modifications were made to comply with applicable law) for sixty days after Your receipt of the modification, at which time these Terms will terminate and You will no longer be authorized to use the Markforged Technology.
